INFORMATION FOR OUR CUSTOMERS

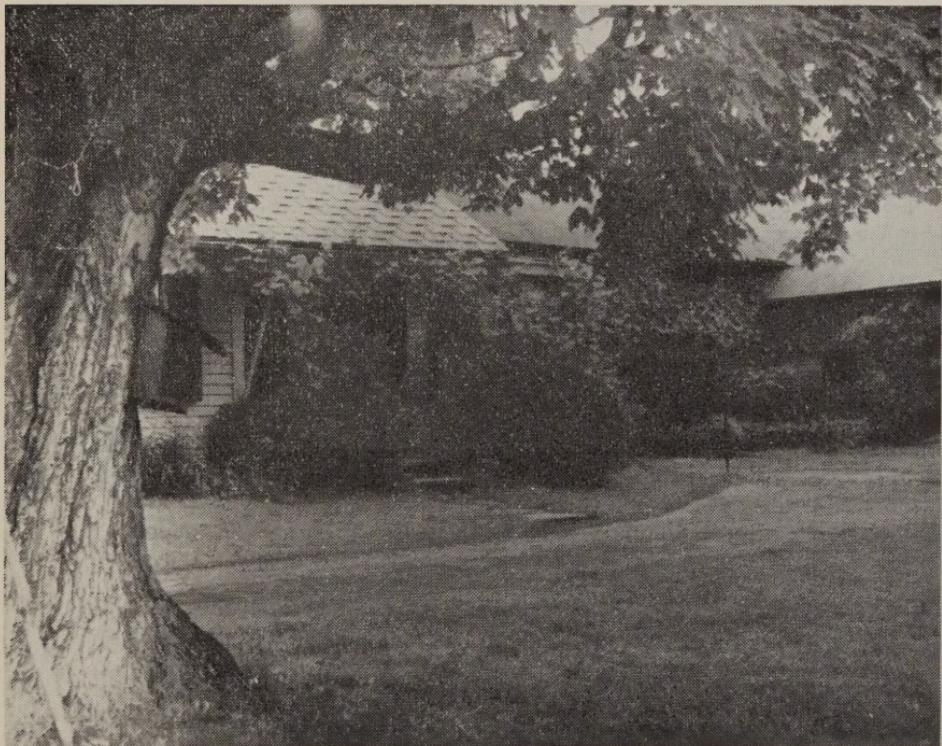

Williamsburg is situated eight miles from Northampton on the Berkshire Trail, Route 9. Our town is composed of two villages, the first one reached from Northampton is Haydenville. Drive on to the next one, Williamsburg. Turn right off Route 9 at the stone Meekins Library, cross the cement bridge, turn immediately left and proceed to the top of Village Hill.

We aim to furnish only healthy, vigorous plants correctly named to the best of our knowledge. We can not assume responsibility for damage to plants in transit or for customers' subsequent failures with plants due to weather, adverse soil conditions or improper handling. We gladly rectify mistakes for which we are responsible, if errors are reported within 10 days of receipt of plants.

We do a strictly retail cash business and bills are due when presented.

If you wish your order sent, we strongly urge special delivery Parcel Post for city dwellers; special handling for rural routes. We do not pay postage and there is a small charge for packing.

No orders shipped for less than \$1.00.

HELLO, EVERYBODY !

Once again we send greetings to old friends and new across our land.

1957 has treated us well so far with a deep cover of snow over the nursery and frames during the period of "deep freeze" when our thermometer went to 20° below — in fact, the snow came before Christmas and we hope will last until March. Our greenhouses have been a joy to step into from the cold outdoors and we are filling them with all kinds of interesting plants to tempt you this spring. We have some wild orchids and Tillandsias collected in the Everglades this winter that are now growing on a palm trunk. There will be annuals, many herbs, perennials and large-flowered Clematis in addition to the house plants.

Come early and often to enjoy spring and summer at Village Hill. Mid-May should give an especially fine show of Asiatic Crab Apples in blossom and our walls will be at their height of color then and later when the lilacs bloom.

For real relaxation and contentment there's nothing to equal

Happy Hours in your Garden!
